Failure to make a payment may result in lapse of registered status and future registration may be blocked. If new fees for the term are applied to my BARC account, they are due by the final payment date on this form. I also understand that if I neither correctly prepare this form, nor fully pay the "Total Due to Activate Plan" when I submit this form, my registration may be delayed and a \$50 late fee (subject to change) and/or blocks may be placed on my BARC account. I have read and understand the conditions, and agree to honor this agreement.
